

Motion Tabled By Senators

Motion regarding the proposed amendment to the State Senate constitution calling for independent campaign speeches for president was tabled by the Student Senate at its meeting Monday night in Luther hall.

Variation of student opinion made it impossible for the senator to determine the wishes of the student body and the motion was tabled till the desires of the students are expressed.

Next meeting of the Senate is scheduled for Dec. 15.

Dr. Hiltner Meets With Parish Board

Dr. James Hiltner, head of the Christianity and Philosophy department, recently attended a meeting of the Board of Parish Education in Chicago.

The up-coming meeting of members decided that three large Sunday School institutes would be held in 1948, one at Capital university, one at Wartburg college and one at Wartburg college. Each institute will be open to Sunday school teachers and church workers for one week and will offer from "fun to eight

hours a day." It was decided that a New Uniform Sunday School Lesson Series should be created to fill the needs of those Sunday schools which do not like the Christian Growth Sunday School Lesson Series.

'How To Enlarge' Camera Club Topic

"How to Enlarge" will be the topic for a slide lecture to be given by Bert Lohm, freshman, at next Monday's meeting of the Camera club at 7:30 p.m.

Year's program for the club will be formulated at this meeting.

To be ready for use next month is the theme of the year in the basement of North Hall, it was reported. Complete plans have been made and new equipment

Several camera lenses and sponges are already on the schedule of the Camera club. First-hand experience will be the teacher for the club during coming weeks, reported by club officers.

Newest addition to the Camera club faculty is Bert, all-around man on photographs presented to the group by Myer's pharmacy.

WAA Teams Play

Volleyball tournament between organized Women's Athletic association teams will be the main feature of the Dec. 10 meeting of the group, to be held in the gymnasium.

Marcia Elmer, Alitha McMullen, Betty Johnson and Ramona Zegers, freshmen, are team captains.

"We hope hereby to increase the interest of the group," said Mrs. Fries, junior and WAA president.

That the Wartburg Players accomplished their purpose in a most colorful and comedy Wednesday and Thursday evening was clearly evidenced by the hearty response given their performances.

Of the six students in the play none can be criticized for a lack of enthusiasm. Their parts were played with the greatest personalism as students for the actors and actresses truly lived their roles.

"Not In Vain."

Long hours of preparation for the play, both with personnel and scenery, were not in vain for Dr. L. Wayne Green, director of the college speech department. His backless guineas were gratifyingly received.

Patricia Green's "Papa Is All" is a well-balanced play, especially characterizations, and a fine introduction to the original plan of the production.

Green's "Papa Is All" is especially well-balanced play, especially characterizations, and a fine introduction to the original plan of the production.

Genie, innocent Mama, played by Jean Sandrock, shown proved a direct contrast to heart-hearted Papa, played by

Midwesterner Gives Views Of Japan In Thursday Convocation Address

What a Midwesterner Sees in Japan" was the topic presented by Dr. R. C. Neale, head of the Department of Education at the University of Minnesota. Wartburg students and faculty members sat at their Thursday convocation.

Dr. Neale told of some of his experiences during his special service on the educational survey committee for General MacArthur in Japan.

The islands of Japan, the people of Japan and the problem of democratic education in Japan were discussed by Dr. Neale.

"The country of Japan is amazingly beautiful with treacherous mountains, near level fields, busy cities and the Japanese people by thousands so to the country and its beauties," stated Dr. Neale.

The area of Japan has been reproduced from a pre-war site compilation by the U.S. census. Japan now has a population of 100 million and Minnesota combined.

The population also has been cut in half, according to the speaker.

First impression of the Japanese people is their immense politeness and their complete innocence. This impression, however, fails to take into consideration their intelligence and their shrewdness.

Other impressions of Japan are listed by Dr. Neale. Japan is a land of schools, illiteracy, due to the rural social system existing in the western world approach to rigid discipline and there are low standards of education and general welfare. The South Japanese are loyal to nationalistic goals and are very anti-American.

Other impressions of Japan are listed by Dr. Neale. Japan is a land of schools, illiteracy, due to the rural social system existing in the western world approach to rigid discipline and there are low standards of education and general welfare. The South Japanese are loyal to nationalistic goals and are very anti-American.

Japan is a land of schools, illiteracy, due to the rural social system existing in the western world approach to rigid discipline and there are low standards of education and general welfare. The South Japanese are loyal to nationalistic goals and are very anti-American.

Using a wide technical knowledge of the country, Mr. Baum

complained that the teach American landscaping and other skills.

The undemocratic rule of an army will not democratize Japan much as the United States did not do so, according to Dr. Neale.

"This trip to Tokyo at the request of General MacArthur gave me a clearer idea of democracy. There is a democracy, may I say, but it is not democratic. We have lost our independence in Japan which we cannot regain. We have lost our responsibilities in the Orient over a period of 20-30 years. There we have been supplanted by less intelligent, competent speakers."

Special music furnished by the concert was furnished by Dr. Robert Hieber at the piano and the Wartburg capella choir under the direction of Dr. Edwin Lehmann.

Dr. Holm Accepts

The Rev. Bernhard Holm, former Wartburg college student and instructor, has accepted the presidency of Warburg Seminary, Dubuque, and will be installed next Friday.

At the present time pastor of St. Matthew's Lutheran church, Washington, D. C., the Rev. Dr. Holm will take up his new duties after the first of the year.

Alaska Is Wonderland: Raine

"Alaska is the frontier wonderland of the world," Edgar C. Raine, visiting speaker, told students and faculty members at convocation Wednesday.

Using a wide technical knowledge of the country, Mr. Baum

Students Display Art In Old Main Tomorrow

Holiday on Schedule

Christmas vacation this year will follow the schedule in the Wartburg bulletin, announced by the dean's office, except that classes begin at 7:30 a.m. instead of 7:45 a.m. a.m.

Vacation begins on Friday, Dec. 19, at 4 p.m. and ends on Monday, Jan. 5, at 7:30 a.m.

President To Speak

President C. H. Becker will deliver the sermon at an organ dedication in Salem Lutheran church, Confrey, Minn., at the congregation of the Rev. William Lehmann.

Father Becker is the father of Robert Lehmann, freshman arts-arms-senior student.

The interest of Wartburg college, President Becker spoke five times last year past in Parkersburg, W. Va.

"Going through various parts of South Dakota," he stated, "there was no snow and the sun was shining."

Diene March Breaks Record

A record was broken at Wartburg Tuesday evening—a March of Dimes record. Instead of six people working all afternoon to pack and send 35 boxes, 28 people worked in the gym for one hour, packing and sending the 35 boxes to Europe.

The number has leaped from 237 boxes at the beginning of the school year to 369 boxes of food sent to needy people. The average cost of each box is \$3.56, but the cost of shipping and handling the amount spent on the contents.

Donations have been liberal, but the little boxes scattered all over the campus always have room for more. The total amount raised in Convention collections this year have amounted to \$47,736, and \$1,163 has been collected from the boxes in the Dug and other centers.

"Like Wartburg college because everybody is somebody at Wartburg, because Wartburg college is a fine academic institution," said Dr. Robert Wartburg, president of Wartburg college, supported wholeheartedly by the American Lutheran church.

"Like Wartburg college because Wartburg is developing a strong program of its own," said Dr. Neale.

Guests of the faculty included Acting President S. F. Salzmann, Professor E. W. M. Pfeiffer, Prof. A. G. Engelsbach and the Rev. Merritt Bonhoff, all of Wartburg Seminary, Dubuque, and a member of the Board of Christian Higher Education of the American Lutheran church and Walter H. Schaefer, chairman of the Regents of Wartburg college.

Musical numbers were presented by the Wartburg college wind trio.

Robert Gronlund, junior,

Clifford Johnson, senior, and Anna Peters, junior, and musical numbers considered rather difficult roles in their portrayals of Mama and Mama's two dissatisfied children. The play was a success, the difficulty being the many moves which they were required to make.

Seriousness introduced.

Seriousness entered the play with every entry of Bert Lohm, freshman, and farcical humor with every entry of Mrs. Yester, the gossipy neighbor, and Bert's Uncle Tom, LaFond.

Probably the outstanding natural humor in the play was the dialect used throughout the scenes and actress freeze while on the stage that they were Pennsylvania Dutch and not American.

Wartburg's presentation of "Papa Is All" is well worthy of praise. Having seen the play, one can easily look forward to the next production by the Wartburg Players.

"Papa Is All" is well worthy of praise. Having seen the play, one can easily look forward to the next production by the Wartburg Players.

Tomorrow evening, from 1 p.m. to 6 p.m., Wartburg art students will display their distinctive creations to the public in the recital studio of Old Main.

The display will consist of sculpture, painting and drawings. Some of the hangings have been attractively framed in order to individual pictures, according to Miss Helen Wright, instructor of art.

Future art teachers will serve as judges and the guests and will also be present on platform.

Proceeds resulting from the sale of the pieces of art will be used to finance an art tour later in the year.

Germans To Carol

German club will go caroling after a short business meeting next Saturday evening, Dec. 11. The business meeting will be held in Luther hall, room 14.

Tickets will be sold for caroling and refreshments. \$1.00.

Club To Show Film

A football film will be the main attraction at the Monday night meeting of the "W" club in convocation hall, according to Dom F. Karr, senior president of the group.

Furnitures pictures will also be taken at this gathering of Wartburg veterans. Coach Melvin C. Nelson is adviser.

Organ Fund Started

Pipe organ fund has been started on the campus, with monetary gifts for Dr. E. Hieber, Buryrus, Chico, father of Dr. Robert Hieber, and the music department of Wartburg college.

This organ will be part of the new equipment for the proposed auditorium, for which sketches have recently been completed.

Zahn, Allen Engaged

Engagement of George Zahn, Waverly, and Elsie Allen, Hampton, was announced here this week. Both young people attend Wartburg. Gertrude is a junior and Allen is a senior, majoring in commerce and physical education.

Synodical Differences

To Be Subject Tomorrow

Synodical differences in the Lutheran church in the United States will be the subject at the regular meeting tomorrow of Chi Rho, Wartburg pre-theological society. The meeting will be held in convocation hall, room 14, at 7:30 p.m.

Speaker for the afternoon will be the Rev. H. A. Roschke, pastor of the Missouri Synod Lutheran church in Waverly.

Wartburg's Week

Sunday, Dec. 6—Wartburg hall party, 9:30 a.m.—Sunday school, Rev. Walter Tillmanns.

Thursday, Dec. 11—9:30 a.m.—Convocation, the Rev. Fred Winkelman, Waverly.

7:30 p.m.—German club.

Friday, Dec. 12—Movie, sponsored by senior class in gymnasium.

Wartburg Opens With 45-33 Victory

(By Special Wire to TRUMPET)

Wartburg Knights opened their 1947-48 basketball season with a 45-33 victory over the Wisconsin Tech Miners at Platteville, Wis., last night.

Both teams got off to a slow and rusty start with Wartburg's having a slight one-point advantage at the end of the first quarter. The Knights then continued their slow pace through the first half. The Black and Orange left the floor at halftime with a 16-14 lead.

Teams Came To Life

Both teams began to come to life as the second half began. The Knights, after a momentary lead at the third quarter, was also at the end, 30-29, but the Knights ended it up as the quarter ended.

In the final stretch, the Knights attacked rapidly. Their final 14 points were racked while the Miners were held to a meager three.

Wartburg players were weak on rebounds and on out-of-bounds plays. The Tech team came off the bench with more energy, bounds, but the Knights held a greater percentage of shots than did the Miners.

Gene Bowditch

Gene Bowditch, scrappy little forward, was the outstanding player as he led Knights' scorers with 11 points. Robert Sauerby had 10, and Ken Roese 7.

A Tech player, J. Clark, was put out by a knee injury when he attempted to score over Ken Roese. Roese who was just beginning to come to life, was forced to the bench because of an injury on the play. Clark was replaced him and immediately entered the scoring column by sinking two free throws.

Wartburg Seminary students from Dubuque supplied the Knights with the needed moral support, as the school was represented almost as the home team.

	Pts	FG	FT	PP

Classes Begin Ball Tourney

Intramural athletic committee has released the ball tournament schedule. It is composed of two brackets, the winning teams being eliminated after two losses. Teams in the upper bracket losing their first game will move to the lower bracket to compete until they lose their second game.

Championship game will be played between the two winners in the upper bracket, which team will have lost no games, and the winning team in the lower bracket, which will have lost one game. The two sophomores will be the junior and senior classes have only one team each.

The first round of play began yesterday when three games were played.

In the first game between the Freshman I and Sophomore I teams, the sophomores won 14-11. The Freshman II's avenged the loss to the Freshman I's in two straight sets. In the final game of the afternoon, the Freshman III's defeated the Sophomore III's two sets to one in a thrilling match.

The fourth game between the Sophomore V and Freshman V teams was postponed until next Wednesday.

On Wednesday, Dec. 10, the second round of play will be run off, the first game starting at 4:15 p.m. Four more games will be played on Thursday, Dec. 11. Three games will be played on Friday, Dec. 12, the first game at 4:15 p.m.

On Tuesday, Dec. 16, two more games will be run off with the championship game to be played at 4:15 p.m. Dec. 18.

Knights To Make Two-Game Trip To Parsons, Penn

Wartburg Knights will make an all-day trip to Parsons, Penn, road trip next week when they travel to southern Iowa to play Parsons and Willard Penn colleges.

The Knights will get their first taste of conference competition when they play the second game of the year in basketball against Wednesday, Dec. 10, against coach Dick Levy, Kelly's Greens, Parsons. This will be the first meeting between these two schools in history.

On the following evening, Dec. 11, the Black and Orange will be in Oskaloosa, where the Penn Quakers will be seeking revenge for the 13-point drubbing the Knights handed them only last month on the gridiron.

Last Wednesday, the Knights had an hour's exhibition at the Panthers of Iowa State Teachers College. Each member of the post-game squad saw plenty of action in which he could be sure before the Wartburg machine will be able to operate efficiently enough to be a serious threat to the stronger teams of the Iowa conference.

No official announcement has been made in regard to a play-off game, but the one who will possibly be on the floor when the starting whistle blows are Bob Egebrecht, "Dutch" Sauerby, Bill Hetherom, George Goff, Bowditch, Shad John Louis, Hart in place of Roese, Wartburg would have a starting five consisting entirely of Waverly men.

Looking 'Em Over

The past week the Knights of the hardwood court wound up their pre-season practice and opened the 1947 basketball season in a game with the Wisconsin Tech Milers.

In one of the final practice sessions, the eagles journeyed to Cedar Rapids, where they scrimmaged with the Teachers College hoppers. In this encounter the players discovered that they were not yet in condition to play their game. Many of the lads appeared to be tired after the first 5 or 10 minutes of play. The fresh, new, and still fresh, Coach Bungards' charges were able to score basket for baskets with some weariness.

Around The Conference

Early the past week several of the Knights' future foes were in action with non-conference teams. The loons flew their own, and were on the long side of the score as often as they were on the short.

Loras, led by Mickey Marty's 15 points, downed the Platteville Ws., Teachers 69-46. Buena Vista's Beavers game back cringed in the second half to top Morningside 45-42. In this game the Beavers' J. Miller hit the target for 16 points. Central's Dutchmen were on the short side of the score, however, as the Kinnakee Teachers, a quarter-finalist last season in the NAIB tournament.

Predictions

Next week the Orange and Black have two conference games with a defeat for the Knights.

The game with Parsons will be very close, with a defeat for the Knights.

It will be a different story when the Knights meet the Penn Quakers.

Penn is not expected to be any more effective in basketball than it was on the gridiron. This will be the first conference win for the Knights.

To Recall You

Fads and Fashions

By Edie

The Christmas season is here again, and everywhere we see windows filled with gifts and streets decorated for the holidays. Even Mister Weatherman has been helping by spreading a beautiful white blanket on the ground. Everyone is getting out his galoshes and new winter coat and bundling up to do that Christmas shopping early.

The Christmas season is the time of the year when we either have a party or go to a party. The parties will be held in homes will be decorated with pine, pine cones, red berries and the inevitable cluster of mistletoe. New let's keep it simple with the beautiful decorations by brushing up on etiquette.

Introductions are easy if you remember that the honored one is the one to whom you present another. Remember, however, that a woman should be addressed to the woman no matter what the age, and the younger to the older. A common exception to this rule is that it presents a woman to a man and she herself is a woman to him.

The question is, when the mother of a friend enters the room is usually observed especially when the older woman first appears? It is not considered necessary to wait until the moment when a large group is already in the room, but, naturally, when introductions are made.

The question has been raised as to whether it is better to shake hands upon introduction as a gentleman? Strictly speaking it is her place to offer her

hand or, not as she chooses, but if he has already extended his, she, of course, gives him hers.

When walking with a date, the escort is on the card side. You can't manage to take his arm! He takes yours crossing the street, descending stairs or when it's dark.

A number of us will probably bring some of our holiday meals in a restaurant, so let's give those restaurant manners a little looking over.

When entering a restaurant the girl follows the head waiter or hostess. If there is none, the escort should proceed to find the waiter's badge.

Great care should be taken

about one's hair or applying make-up while at the table. If you must do so, excuse yourself and use the men's lounge.

Please show consideration for those who serve you, too.
